

Coming to Weston General Hospital by public transport

The main hospital has good transport links and parking facilities.

Getting here by bus:

For information about getting here by bus, please visit www.firstgroup.com, or alternatively download the **FirstBus app**.

For further information on travelling by buses including travelling in to Weston town centre, contact **Traveline** on 0871 200 2233 (website: www.travelinesw.com) or alternatively download the traveline app from Google Play or Applestore.

Getting here by train:

The nearest train station is **Weston-super-Mare railway station**, which is about two miles from the Hospital.

Visit www.nationalrail.co.uk or contact them on 0845 7484 950 (open 24-hours) for more information on rail times and fares.

www.firstgreatwestern.co.uk/Your-journey/Travel-connections/PlusBus

Alternatively the **Freedom Travelpass** gives you unlimited travel on all train and most bus services in Bristol, Bath, North Somerset and South Gloucestershire (though not on Crossville and Webberbus services). Travelpasses are available daily (peak and off-peak), weekly and monthly. You can buy one from station booking offices, bus ticket offices, train managers/conductors and First bus drivers.

www.firstgreatwestern.co.uk/Your-journey/Travel-connections/Freedom-Travel-Pass

If you need any more information, contact Travel West on www.travelwest.info

For public transport journey planning please go to: www.travelinesw.info.

Getting here by bike:

There are 39 covered and lockable bike spaces in the Trust including a set next to the main hospital reception by the revolving doors.

To find the best route by bike please refer to the North Somerset Cycle Map, available free from local libraries or call the NSC Sustainable Travel and Road Safety Team on 01934 42692, or email sustainable.travel@n-somerset.gov.uk. Lots of local cycling information, maps and an on-line journey planner are available at www.betterbybike.info.

AccessAble

The Trust has worked with AccessAble to create detailed Access Guides to facilities, wards, and departments at Weston General Hospital.

The guides are 100 per cent facts, figures and photographs to help patients, visitors and staff plan their journeys to and around the hospital, covering everything from parking facilities and hearing loops, to walking distances and accessible toilets.

View the Weston General Hospital accessibility guide here:
